Celebrating Life

A bottle of wine is chosen to Hallmark an occasion, celebrate it, from the centre of the table it draws us in, pulls us together, it reminds us to raise a glass, to share a sip, to drink together for this is the beginning of knowing and becoming known by one another. People love the freedom of choice and that is exactly what we aim to provide, a wide range to choose from.

As Signature Restaurant grows as a dining destination of choice, we have meticulously chosen the best available quality from around the world, and of course locally. Remember, there is no great meal without a great wine hence we have suggested some pairings, better still, experiment. Light wines light meals, robust wines with heavy meals. As poetic as it might be, wine is like art, therefore venture out and find wines that you like. We invite you to visit our temperature controlled Vinotique where you will be spoilt for choice.

"My tastes are simple: I am easily satisfied with the best."

PLATTER GUIDE

The Platter Guide was conceived in 1978 by John and Erica Platter (once known as The John Platter). This is a comprehensive, up to date and authoritative guide to who is who and what is what in the cape wine lands. It features countless producers, negotiates and brands. This is a reference guide which also serves to 'advise' on the quality of the wine. The rating ranges from half star (Very Ordinary) to 5 stars (Superlative - a South African Classic) to this end most of the wines we list fall between 3.5 stars (Very good / Promising) to 5 stars.

THE MICHELANGELO INTERNATIONAL WINE AWARDS

The need to have South African wines adjudicated by international experts was the compelling factor in the formation of these awards, only the internationally accredited wine judges serve on the judging panels. The aim is to identify wines which will fare well in world markets. The Michelangelo uses the 100-point judging system which is very accurate as it allows each entry to be judged according to the varietal's characteristics based on sight, smell, and taste.

VERITAS AWARDS

This award gives recognition to wines of exceptional quality. The distinctive VERITAS symbol of excellence serves as an authoritative quality guideline for wine connoisseurs. The judging panel includes winemakers, researchers, academics, and merchants who are all required to have a wine judging certificate from the University of Stellenbosch, a Cape Wine Masters or similar accreditation.

OLD MUTUAL TROPHY WINE SHOW

This is South Africa's premier wine competition that recognizes top local wines and winemakers, it honours the excellence in the winemaking industry. The medals range from bronze - 70 to 79 points (good to very good), Silver - 80 to 89 points (excellent, wine of distinction) and Gold - 90 points and above (superlative, world class). The gold medal wines in each class go through to the Trophy judging where all the panellists re-assess them from freshly opened bottles.

TOP 100 SA WINES

This is a premium brand based around many of South Africa's finest wines and vineyards. This is very objective, independent, and professional rating of South Africa's entered fine wines. It aids vineyards to position their winning wines with clarity, vigour, and integrity. It helps the consumers to buy better wine and get best value.

ABSA TOP 10 - PINOTAGE

This has become the means of benchmarking the best wines made from South Africa's Signature Grape, Pinotage and has seen the sales of Pinotage increase by 10% while doubling the exports of Pinotage.
